

EUROCERAMICS S.A.S

# *Marble* CATALOG

2025 COLLECTION

The background image shows a sophisticated still life arrangement. In the foreground, a large, light-colored ceramic vessel with a textured, marbled pattern sits on a dark, ribbed wooden surface. Behind it is a smaller, white, rounded ceramic object. To the right, a lamp with a warm glow is mounted on a dark wooden structure, casting a soft light. The overall aesthetic is elegant and classic.
